

Free Screening of Dear President Obama

All are welcome to a free screening of "Dear President Obama, The Clean Energy Revolution is Now," a new film narrated by Mark Ruffalo on fracking, climate change, and the urgent quest for a clean energy revolution. Come learn how and why communities on the South Coast and all across Massachusetts, New England, and the U.S. are being threatened by the unnecessary and costly expansion of natural gas infrastructure. The screening will take place on Thursday, August 18 at 7:00pm at the Casimir Pulaski Elementary School Auditorium in New Bedford located at 1097 Braley Road.

Hosted by South Coast Neighbors United and sponsored by 350 Mass South Coast and Better Future Project.
