If you have seen Irene Harrop or have information on her whereabouts please contact her daughter at 774-992-5366 or the New Bedford Police Department at (508) 991-6300 or her daughter.

"My sister's mother, Irene Harrop, is 41-years old and was last seen Sunday, April 11th wearing black and white Nike shoes with a white hoodie and jeans.

She lives in the south end area of New Bedford. A missing persons report has been filed. It is not like her to ever up and disappear and she would never leave her 2 kids without any word. She was also last seen with Arthur/Artie Waite.

She is a very responsible and caring person/mother and she would let somebody know if she was leaving somewhere. We hope you can help us find her!"
