

Fundraiser for Cystic Fibrosis Research in Fairhaven

By Kayleigh Rock

For those of you that don't know, this is my friend Charton and he has Cystic Fibrosis. Cystic Fibrosis is a life-threatening disorder affecting mainly the lungs and digestive tract. This is the second year that I'm hosting a spaghetti dinner to raise money for Cystic Fibrosis research to find a cure. It's a great cause as there are many people affected by Cystic Fibrosis and not enough fundraising being done.

Please come out to support us on Sunday April 27th from 5-8pm

at the Town Crier in Fairhaven for a delicious spaghetti dinner (catered by D&D catering), raffle (including Red Sox tickets and a fishing trip!), DJ Kev Vas and even a face painter, so bring the kids! Tickets are only \$20, \$10 for kids 12 and under!
