

Glassman Automotive is Hiring for an Experienced Technician in New Bedford

Want to work at one of the south coasts most reputable and trustworthy repair shops? Glassman Automotive Repair & Sales is looking to add an experienced technician to their tight knit team. Celebrating 30 years this September this family owned shop and dealership prides itself on meticulous work and customer service. **The ideal candidate will have dealership experience, (preferably L1 certified), who is sick of the flat rate games, and wants to work hourly.** Quality work is a must!

Hours: M-F 8-5. *No mandatory overtime, evenings or weekends.* They are also offering a 36 hr / 4 day plan with Fridays off. Overtime is available during busy times and there is a 30 hr guarantee each week.

Benefits include: Two weeks paid vacation, most major holidays and sick days. Pay is based on experience, **and they are one of the top paying independent shops in the area.**

This is a great opportunity for a tech who wants to ease into retirement and walk away from the dealership grind. **If you're interested, lets talk. Stop by the shop to fill out an application or call: (508) 995-2624**

There's a reason why tool boxes have wheels... Who's looking to make a change ?
