

GNB Voc-Tech's Annual Open House – November 24th

All students in grades 6, 7 and 8 from New Bedford, Fairhaven and Dartmouth are encouraged to attend GNB Voc-Tech's Annual Open House on Sunday, November 24th.

GNB Voc-Tech High School is the choice for all students looking for a vocational-technical education. GNB Voc-Tech offers a rigorous academic program in addition to a career and technical course of study in 1 of 27 Chapter 74-approved Career and Technical Education Career Majors.

Middle School students and their families won't want to miss the middle school presentation in the Z. Walter Janiak Field House at 12 noon sharp on November 24th. Get there early to ensure a seat! Grade 8 students will be able to complete an application for enrollment at this informational session. Also, guided tours of the campus will be provided.
