

Good Samaritan donates filled backpacks to Seekonk Police for kids involved in traumatic events

“Mackenzie, a Dighton/Rehoboth High School Senior, dropped off backpacks filled with toys, games, Legos, stuffed animals and other great items for children involved in traumatic situations we may encounter. We will carry these bags in our cruisers and hopefully bring a smile to a child’s face during a stressful event. Unfortunately, we deal with these type of calls frequently.

Mackenzie works with Project351, whose values are Kindness, compassion, humility, and gratitude. Ambassadors reflect the core values as they serve and lead in their communities.

Way to go Mackenzie! Keep up the good work!

P.S. He is smiling. I promise. ?”
