The Greater New Bedford unemployment rate is much higher than the rest of Massachusetts, but believe it or not there really are a lot of jobs available for qualified applicants. Sometimes the barrier to a new job can be the lack of information on available job openings. To solve this, each week New Bedford Guide will be working with the New Directions Southcoast (also known as the Greater New Bedford Career Center) to inform job seekers about the hottest jobs in the area. We will define “Hot Jobs” as those jobs that need to be filled by the employer immediately. For those looking to search some large job databases, checkout my Best Job Search Resources for New Bedford Residents article. Unless noted otherwise, those interested in these positions or want more information should go to the Greater New Bedford Career Center at 618 Acushnet Avenue. Here are the Hot Jobs as of January, 22nd, 2012.
