

# King Richard's Faire Announces the Cancellation of its 2020 Season

The popular attraction for families has announced on its Facebook page that the 2020 season has been officially canceled due to Covid-19. The statement is as follows:

"Even royalty cannot beat the coronavirus.

While King Richard's Faire is a land of make-believe and fantasy, we simply cannot escape the reality of COVID-19. We are sad to announce the cancellation of our 2020 season, and thank our magnificent team and cast for all their input and creative ideas. Unfortunately, there simply is no alternative to ensure the health and safety of all.

We are already planning for the most magnificent 40th anniversary season imaginable. To our loyal Faire fans who have been with us for so many years – some from the start in 1982 supporting our family-owned business, we thank thee and we will see you next season.

Merry meet, merry part, and merry meet again!"

## 2020 Cancellation Notice

In the midst of never-before-imagined circumstances and continuing health concerns affecting our entire country, King's Faire, Inc. has made the extremely difficult decision not to open the gates for the 2020 King Richard's Faire season.

While ours is a land of make believe, there is no doubt that COVID-19 and its impacts are very real. Our main focus is to protect all of our customers and those that help us bring the magic and merriment into our Faire.

Fun, fantasy and friends all await you on September 4<sup>th</sup>, 2021 when we re-open our enchanted gates for our Fabulous 40<sup>th</sup> Anniversary season filled with magic and merriment!

Those seeking information on tickets purchased for the 2020 season are asked to email: [info@kingrichardsfaire.net](mailto:info@kingrichardsfaire.net) and put TIX2020 in the subject line for a timely response.

*Merry Meet, Merry Part, and Merry Meet Again!*
