

# Last day for open enrollment with the Massachusetts Health Connector, Jan. 23

Anyone who needs health insurance by February 1 will need to apply and pay before January 23rd, or wait until next year.

Appointments should be made to meet with a Navigator by calling 508-999-9920. People who want to apply for the first time or want to change their insurance plans must do this during the Open Enrollment time period which began Nov 1st and ends January 23rd.

Persons applying must bring their last two weeks pay stubs and photo I.D. Health Insurance is mandatory in Massachusetts and anyone who does not have health insurance will face a tax penalty.
