

# MASS CARE LINK PROVIDES MONTHLY STIPEND TO CAREGIVERS IN THE SOUTHCOAST

In an effort to ensure individuals in need are receiving adequate support at home, **Mass Care Link** provides caregivers a monthly payment in addition to training and education. Friends or relatives who are taking care of someone with MassHealth insurance may be eligible for financial assistance to ease the burden and cover various needs. **People across Massachusetts are benefiting from this program, as it provides the resources and support, they need to thrive.** Families throughout the Southcoast, particularly in Fall River and New Bedford should be taking advantage of this program.

**Mass Care Link** is dedicated to lending a helpful hand to those caring for someone at home. Customized care plans are available for each member and the support team is dedicated to helping caregivers and their loved one. With an A plus rating by the Better Business Bureau for exceptional customer service, this eases the burden many caregivers and patients traditionally face.

According to customer Lisa Jones, "This company is truly a blessing. If there were more people like the ones I spoke to in this company, this world would be a better place! They are very responsive and answered the many questions I had, very thoroughly. I'm very happy I was referred to them – so thankful!"

Anthony Medeiros gave a **5-star review online**, stating **"I truly appreciate the guidance and direction given to me by Mass Care Link. Their staff members are incredibly resourceful and always go out of their way to help."**

Caregivers are invited to visit the resource center at
