

# Massachusetts State Police Air Wing visits MA Army National Guard for family day

"Yesterday, Troopers Kevin Kaupp (pilot) and Gregg Spooner (TF0) of the MSP Air Wing landed at the Massachusetts Army National Guard, 26th Maneuver Enhancement Brigade, Headquarters Company (Natick, Ma) for its annual family day, designed to bring Soldiers and their families together to see what their loved one does when they put on the uniform.

There were a lot of fun things for the kids to do, not least of which was a tour of MSP Air 5. I think we might have some future pilots in that group!"-Massachusetts State Police.
