

For 5th year in a row, Massachusetts man donates hand-made toys for “Toys For Tots”

“For the 5th year in a row William Greenwood and his wife Helen have made the drive to GHQ to donate Mr. Greenwood’s hand-made toys.

He explained that he normally makes toys for his grandchildren but has come to love crafting wooden toys for the Toys for Tots cause.

If you are interested in donating toys, make sure you find your nearest drop-off location here.”-Massachusetts State Police.
