

Massachusetts State Police appeal to public for extra help with “Toys For Tots” this year

“The Bristol County Toys for Tots program is asking for extra help this year, as that region still has many families in need of toys.

The Massachusetts State Police D Troop Barracks will be accepting new, unwrapped, non-violent toys for boys or girls, ages infant to 14. These are the barracks in Yarmouth, Norwell, Middleborough, Bourne, Dartmouth, Martha’s Vineyard and Nantucket.

These Barracks will be accepting toys until December 21. Thank you in advance for helping bring a Merry Christmas to these families.” -Massachusetts State Police.
