

Massachusetts State Police: “Coffee and Dogs Make The World Go ‘Round!”

Troop H Community Liaison Trooper Aaron Richardson was happy to team up today with Walpole and Wrentham Police Departments and Babson College Public Safety Department for another Coffee with a Cop gathering. Today's meet and greet took place at Country Kitchen on Main Street in Walpole.

As always the stars of the show were our four legged friends from Golden Opportunities for Independence (GOFI) and graduates like Rebel, Walpole's Community Resource K9; and Cruiser, Wrentham's Community Resource K9.
