

Massachusetts State Police K9s, environmental and local police visit elementary school in popular “Coffee With A Cop” event

“The Massachusetts State Police Community Action Team Troop B Liaison Deshawn Brown, and Troop C Liaison Farrah Gray partnered with the Hinsdale Police Department for a Coffee with a Cop this past Friday, May 28.

The students from Kittredge Elementary School grades K-4 were invited to attend, and the event became an impromptu First Responders Day, highlighting different departments in the Hinsdale area! The students of Kittredge Elementary had a great time interacting with local, state, and environmental law enforcement officers and their emergency vehicles; and of course the dogs.

Thank you to Hinsdale PD, MA environmental police, and Great Barrington PD for making this event a success.”-Massachusetts State Police.
