

Massachusetts State Police make special visit to Mattapoissett's Old Rochester Regional High School

"On Thursday, September 30, 2021 Trooper Matthew Holden from the Troop D Community Action Team, Troop D Community Liaison Trooper Jessie Barbosa and Troop H Community Liaison Trooper Aaron Richardson, met at Old Rochester Regional High School in Mattapoissett to spend the afternoon with the Life Skills classroom.

Trooper Barbosa coordinated with the State Police Air Wing, Mattapoissett PD, and the comfort dog sections from both Middlesex DA's office's and Babson College. This was a special day for the students of the Life Skills classrooms of both the high school and middle school levels.

Troopers handed out MSP t-shirts, medals and campaign covers to the students, and fielded numerous questions that the students had prepared. The highlight of the afternoon was a visit from Air 3 and the flight crew, Trooper's Malm and Dinjian."
