

Massachusetts State Police Troopers make pit-stop in Rochester

“On Saturday, several of our Troopers joined Rochester Police and members of the Tri-Town Against Racism organization for a community event at the Memorial Elementary School in Rochester.

Above, Troopers Barbosa and Pacheco and Rochester Officer Orr share a photo with a young friend. Several families attended and enjoyed taking pictures with our pink cruiser.

Thanks to a generous donation from Stop and Shop and the assistance of the State Police Association of Massachusetts, Troopers and Officers donated candy to the children who stopped by.
