

Massachusetts State Police stop leads to seizure of pills, flower marijuana, multiple marijuana candies

“Earlier this week, while out on the road, our members conducted a motor vehicle stop for an operator who had a warrant.

After being taken into custody it was discovered they were also in possession of unprescribed Xanax, Adderall, Naloxone Tabs.

Additionally during inventory Troopers located 2.3 pounds of flower marijuana, multiple edible marijuana candies along with scales and other distribution-related materials. In total our members also seized \$3,640.” -State Police Association of Massachusetts.
