“Massachusetts State Troopers this past weekend assisted members of the Massachusetts Wampanoag Tribe at two community events.

Troopers from the Troop C Community Action Team assisted tribal members at a food distribution site in Central Massachusetts, while Troopers from the Troop D Community Action Team helped out at Wampanoag COVID vaccination clinics in Dartmouth and Plymouth.

We were grateful for the opportunity to provide assistance to members of the Wampanoag community! #WampanoagNation”-
