

# Massachusetts Rabies Task Force begins oral rabies vaccination campaign

"Distribution of oral #rabies vaccination (ORV) kicked off this morning from Plymouth Municipal Airport!

Oral Rabies Vaccine baits will be distributed in Plymouth, Kingston, Carver, Middleboro, Rochester, Lakeville, Marion, Wareham, and the mainland portions of Bourne and Sandwich over the next two days.

Two red and black helicopters will be seen flying at low altitudes in the area. Bait stations in Plymouth, Kingston, Wareham, Sandwich, and Bourne will be filled today as well.
