

Massachusetts State Police to assist U.S. Secret Service with protection of First Lady

“Over the next few days and into the weekend our members will assist the United States Secret Service and our other law enforcement partners with the protection of the First Lady of the United States.

Earlier yesterday, Troopers were in Charlestown as the First Lady visited Home Base, a Red Sox Foundation and Massachusetts General Hospital program, which is dedicated to healing the invisible wounds of war for veterans of all eras, service members, military families, and families of the fallen.” - State Police Association of Massachusetts.
