Of Note: **THIS IS A 21+ EVENT** . Buffet-style brunch, live music by Mike & Leah and a wine tasting (or 1 glass of wine) are included in your ticket price. Brunch will be served from 11-1:00. Live music is from 11-1:30. There are no table reservations for this event. Just grab a plate and sit where ever you like! The vineyard opens back up to the general public at 2pm. A food truck will be on site for patrons after the brunch is completed.

The background of the entire image is a soft-focus photograph of pink cherry blossoms. Overlaid on this is a semi-transparent pink rectangular area with rounded corners, which serves as a backdrop for the text. This pink area is framed by a thin, dark green border. In the top right and bottom left corners of the pink area, there are clusters of solid pink hearts of various sizes.
