

National Weather Service issues dense fog advisory for south coast MA

The National Weather Service in Taunton has issued a Dense Fog Advisory, which is in effect from midnight tonight to 9 AM EDT Sunday.

* Locations...Include south-coastal Massachusetts as well as Cape Cod and the Islands.

* Visibilities...One quarter mile or less at times.

* Timing...Developing this evening and prevailing overnight into Sunday morning.

* Impacts...Dense fog will lead to visibility restrictions which will lead to difficult driving conditions.

PRECAUTIONARY/PREPAREDNESS ACTIONS...

A Dense Fog Advisory means visibilities will frequently be reduced to less than one quarter mile, for at least 3 hours. If driving, slow down, use your headlights, and leave plenty of distance ahead of you.
