New Bedford High School freshman orientation will be held at 9 a.m. on Monday, August 22, 2016. Registration begins at 8:30 a.m.

Soon-to-be-Whalers should report to the auditorium entrance at NBHS, 230 Hathaway Boulevard. A cookout for all new freshmen will be held at 11:30 a.m. following orientation.

"We are looking forward to another school year and to welcoming our newest Whalers, the class of 2020, to New Bedford High School," said Headmaster Bernadette Coelho. "Freshmen orientation will give incoming 9th graders a chance to tour the school, get answers to important questions, and learn more about the opportunities at NBHS such as our Division I athletics, nationally accredited career academies, Advanced Placement and honors courses, and our award-winning music, visual and performing arts departments."
