A Winter Storm Watch is issued for the potential of accumulating snow of 6 or more inches in a 12 hour period or, 8 or more inches in a 24-hour period.

According to the National Weather Service, heavy snow along with a period of sleet and freezing rain is expected to develop after midnight Sunday night. Citywide Snow Emergency Parking Ban Effective Midnight on Sunday, Feb. 1, 2015

In preparation for the approaching winter storm, the City of New Bedford has announced a citywide snow emergency parking ban to take effect at midnight on Sunday, February 1, 2015. The parking ban will be strictly enforced and will remain in effect for 48-hours thereafter, unless lifted or further extended by City officials. The parking ban is designed to allow City workers to efficiently remove snow from New Bedford roadways to allow public safety vehicles and residents to travel safely.

While the snow emergency parking ban is in effect, parking is permitted on the side of the street that is opposite the fire hydrants. No vehicle should be parked on the same side of the street as a fire hydrant, except on streets that are regularly posted for parking on one side of the street only. In posted

areas, residents are to obey the signs as usual.

The citywide parking ban will be double-sided in both the Acushnet Avenue Business District and the Downtown Business District. Downtown parking is available at no charge in the Elm Street and the Zeiterion Parking Garages.

Violations of this parking regulation will be subject to ticketing at \$50 per ticket and towing at full cost to the owner of the vehicle towed. The vehicle owner is also responsible for the full cost of storage for any towed vehicle.
