

New Bedford cold weather overflow shelter open tonight, Dec. 13

Due to the expected low temperatures, the overflow at 71 Division Street will be opened again tonight. The temperatures will rise after tonight and through the weekend so the overflow will not open for a few days moving forward. Guests should plan to arrive for 6:00pm and the cutoff will be 8:30pm

All inquiries can be forwarded to Sister Rose House and 1-800-homeless.
