

City of New Bedford creating its 2020-2024 Consolidated Plan and seeks public input

The Office of Housing and Community Development is now in the process of creating its 2020-2024 Consolidated Plan. This plan will provide a snapshot of community needs in New Bedford and will establish a framework for how federal funding the city receives from the U.S. Department of Housing and Urban Development will be spent over the next 5 years.

As we work to identify the needs and priorities of the community, there are many ways to get involved! We hope you'll join us and share your thoughts in this survey!
