

New Bedford Educators Association to host School Committee Candidate Debate on Wednesday

The New Bedford Educators Association is proud to sponsor a School Committee Candidate Debate scheduled from 6-8 PM at the Keith Middle School Auditorium on Wednesday, October 23, 2019. Tune in to **New Bedford Guide's Facebook page** as we will be broadcasting the debate live.

This event will be the third time that NBEA has hosted an event that gives community members the opportunity to meet with, and ask questions of, New Bedford School Committee candidates. We encourage all community members, including parents, teachers, and students to attend.

There will be a panel that will ask questions that each candidate will have an opportunity to respond to. Audience members will be able to write down their questions, and these will be presented to the panel to ask on their behalf as time allows.

The panel which will ask the questions consists of:

Dr. Kathleen Mackenzie – Mental health Professional and Counselor in NBPS

Fred Pearson – Vice President of NBEA and elementary special educator

Jodi Spencer – Nurse at NBHS and parent

Jacelina Goncalves – President of Class of 2020 New Bedford High School
