

New Bedford EMS appoints new director of Emergency Medical Services

“New Bedford EMS would like to congratulate Paramedic/RN Michael Thomas on his recent appointment as Director of Emergency Medical Services.

Mike has served the citizens of New Bedford for nearly twenty years on many of our cities busiest ambulances and most recently served as Deputy Director for the last two and half years.

Mike looks forward to leading our department into the future and is committed to continuous improvement.

Mike believes service is more than simply responding to calls. It is evaluating what we do so that we can improve our performance and meet the communities needs as they become apparent.

Congratulations Director Thomas, we look forward to working with you.” -New Bedford EMS.
