

New Bedford Fire Department receives donation of hand- sanitizer from generous donor

“During these unprecedented times, we have seen the community come together in a way we could have never imagined. We have also met the most amazing, selfless individuals who want to make a difference.

So today, we’d like to acknowledge and thank...

Ms. Susan Souza of Homeless Heart Foundation Inc. for the generous donation of hand sanitizer for our members to keep in their pockets at all times. We truly appreciate your thoughtfulness and caring for our first responders.

There are so many more caring “donors” and we will be acknowledging them throughout the next couple of weeks.

It takes a village.

Please stay home.

Thank you,

New Bedford Fire Department.”
