

18-year old New Bedford girl, Joeline Brogden, beats the odds and wins battle with Acute Myeloid Leukemia

"Hey, I have a big story to tell!"

On December 10th, 2018 I was diagnosed with Acute Myeloid Leukemia and finally after 6 long months of fighting and doing Chemotherapy I can finally say that I'm cancer-free and a Leukemia Warrior! ?." -Joeline Brogden.

Your smiles a blessing girl 🥰
