

U.S. EPA invites community to join virtual public meeting for New Bedford Harbor Superfund site update

In an effort to keep community members informed, the U.S. Environmental Protection Agency (EPA) will be hosting a Virtual Public Informational Meeting via Skype on Wednesday, July 29th, 2020 at 6PM to 7:30PM.

Instructions on how to join are included in this email below and will be also available at: epa.gov/superfund/newbedford under 'Stay Updated' and 'What's New'. In addition, at the start of the meeting step-by-step instructions will also be provided to participants. Please feel free to reach out with any questions, special needs or assistance you may need when joining this meeting.
