

# **City of New Bedford Christmas and New Year's Day trash and recycling schedules**

All residential trash, recycling, and bulk pickup routes will be running on schedule this week and next, through Jan. 1, 2022. Commercial and downtown trash and recycling collections will be running on schedule, as well, meaning there are no changes in the City's pickup services through Christmas and New Year's Day.

The city Recycling Center at 1103 Shawmut Ave. will have one change in hours, opening only for a half day on Friday, Dec. 24. The center will be open only from 8 a.m. to noon that day, due to the Christmas Eve holiday.
