

# **New Bedford man killed in industrial accident in Carver on Monday**

On Monday, June 10, at approximately 8:20 AM Carver Police, Carver Fire Department and Carver EMS personnel responded to a report of an industrial accident at the Acme Shorey Precast Company on Tremont St in Carver.

As a result, a 41-year-old New Bedford man was transported by Carver EMS to Toby Hospital with very serious injuries where he passed away. The male's name is not being released at this time.

The incident remains under investigation by members of the Carver Police Department, Massachusetts State Police CPAC unit and OSHA.
