

New Bedford mom wants to spread awareness about bullying going on at Normandin Middle School

"Hi, I would like to bring awareness to what happened at Normandin Middle School today. Please post this so other parents know what is happening. This is not okay and I don't want this to happen to someone else's child.

My autistic child was using the 8th-grade bathroom during her lunch period when a few 8th graders decided to laugh at her as she was changing her feminine hygiene products.

Then these girls decided to pull out a phone and start recording her from under the stall for their Tik-Tok accounts.

The school officer is investigating the case but I want this to be known to the public because this is an invasion of privacy and very much illegal. I want other parents to know that this is happening.

I plan on pressing charges on these girls. Thank you." - Anonymous.
