

Single New Bedford mom: “My son comes home hungry from school, because the food is nasty!”

The following is an opinion sent to New Bedford Guide. It does not reflect the opinion of New Bedford Guide, nor is it an OP-ED. In fairness and objectivity, we share opinions from our readers whether we agree or disagree with their opinion.

“To whom this may this concern: #NewBedfordGuide

My child comes home from Keith Middle School every day and he is hungry!

He tells me how the food is and that he doesn't eat because it's cold or it's nasty. Anyway that they can hire someone to cook **real** meals for these students? He can't take a picture to prove it because they aren't allowed to use their phones during school time and they have to be kept in the lockers.

Again he brings snacks and food from home and I'm not made of money to support school lunch when they supply it every day. If that's the case, extra good stamps should be given out to help bring lunch to school. Something needs to be done to address this and done about this matter.” -Sincerely a single mother.”
