

New Bedford mom and son have run in with officer Vieira

"I can't even express how incredibly grateful I am that we have such a positive and solid circle of people in the community. There is definitely more good in the world than there is bad.

As everybody already knows, we are a very active family and are always on the go. This morning while we were outside of Market Basket we ran into Officer Tyler Vieira.

Such a cool guy! He ended up letting Jack play in the cruiser, and fell so in love with him that he asked if he could take him inside to buy him a ball & cars!

Absolutely humbled and so very grateful.

It's such a great feeling watching others interact with Jack and help him to know that he is loved and watched out for??"-Mandi Jones.
