

New Bedford Police Officer visits local church to answer questions in community outreach

"Ofc. Hiram Sanchez stopped by Iglesia Casa De Restauracion El Buen Samaritano (Christian church) on County Street to visit kids belonging to a summer camp yesterday!

He taught them all about safety and dialing 911, and answered all of their curious questions about being a police officer. They were even able to check out his police cruiser.

Thanks for having us!" – New Bedford Police Department.
