

New Bedford Police Department Officers to don pink patch for Breast Awareness Month

*****BREAST CANCER AWARENESS MONTH*****

October is breast cancer awareness month and you'll be seeing our officers wearing these badges to raise awareness.

"Just as this horrible illness affects members of the community, it also impacts the lives of the men and women of our department. This month, we wear these badges to remember those who have passed, honor those who continue to fight, and show our hope for a future without cancer."-Chief Paul Oliveira.
