

# New Bedford Police Department hosting Halloween “Trick Or Treat” event

“?–HALLOWEEN EVENT–?”

We are celebrating the opening of our new public safety center with a Halloween event! We will host a “Trunk or Treat” on:

Friday, October 29th

from 4:30-5:30

South End Public Safety Complex

912 Brock Ave.

Rear parking lot

Along with police and firefighters, we should have available space for citizens who would like to be a part of the event. We welcome you to join us by decorating your vehicle and handing out candy to the kids. Costumes are welcomed but not mandatory.

The neighborhood children will absolutely love it and you’ll be glad you did it!

If you’re interested in setting up your vehicle in our lot, please email:
