

# **New Bedford Police respond to mother and her children being pepper-sprayed**

“At approximately 9:45pm on Saturday night, the New Bedford Police Department responded to Cumberland Farms on Hathaway Road for a report of a mother and her children being pepper sprayed while inside their car.

Witness says a passenger in a black BMW got out and sprayed mace into the victim’s car and then fled the area.

This is a developing story.” -Carlos Pimental Felix.
