

New Bedford Police Union endorses Geoff Diehl for Senate

Geoff Diehl's campaign announced today that he officially has the **support of the New Bedford Police Union**:

Geoff Diehl "refused to bow to the mob mentality of painting all law enforcement groups with the same broad brush of resentment and anger," wrote President Hank Turgeon in the official endorsement communication. "The New Bedford Police Union is proud to endorse and support your candidacy for the U.S. Senate."

Diehl has also received endorsements from former Governor's Councilor David Constantine (D-New Bedford).

The latest poll has incumbent Senator Elizabeth Warren **comfortably ahead 25 points**.
