

New Bedford Public Schools Tentative Bus Schedule, 2015-2016 School Year

The tentative bus schedule for the New Bedford Public Schools has been released.

For safety considerations and to ease travel concerns in inclement weather, some stops have been relocated to nearby main roads in order to ensure the safety of all children. School and transportation staff extend their thanks to families for their patience in the first week of school.

Please note that as always, these schedules are morning bus routes, and that drop-off times in the afternoon are done in the reverse order of morning pick-up.

New Bedford Public Schools transportation staff will be available for questions at 508-997-4511 ext. 2222 or ext. 2229.
