

New Bedford Public Schools closed October 27, 2021

Due to current weather conditions causing widespread power outages and downed power lines, all New Bedford Public Schools and administrative offices will be closed on Wednesday, October 27, 2021:

- NO in-person classes
- NO distance learning/remote sessions occurring
- NO virtual meetings
- NO after-school activities

Superintendent Thomas Anderson stated, "We are using our "traditional" snow day model and there will be NO in-person classes and NO distance learning/remote sessions occurring. This full cancellation is out of concern for the safety of both our students and our staff who must drive in these conditions."

Adult Evening Classes scheduled for Wednesday, October 27 are not cancelled.
