

New Bedford resident wins \$1,000 a Month for 10 Years

Linda Lachapelle of New Bedford is the winner of a \$1,000 a Month for 10 Years prize in the Massachusetts State Lottery's "Decade of Dollars" \$2 instant ticket game.

Lachapelle used some spare change in her car while filling up her gas tank to purchase one ticket. That ticket won \$4 and she purchased two more "Decade of Dollars" tickets, one of which produced her grand prize win.

She chose the annuity option for her prize and received the first of ten yearly payments of \$12,000 (before taxes).

Her winning ticket was purchased at Muldoon's Mini Mart, located at 1411 Phillips Road in New Bedford.
