**Other:**

- Contractor (PA Landers) will begin sidewalk excavation along a portion of Phillips Rd from Holly Tree Ln to Birchwood Dr.
- Contractor (PA Landers) will be working on various curb and structure adjustments on Mt. Pleasant St from New Plainville Rd to Nash Rd.
- Contractor (Eversource Electric) will be working at the MassDOT project, Kings Highway, new traffic signal operations and sign installations.
- Contractor (PA Landers) will be working on various streets, citywide, completing minor repairs and installations.
- Contractor (PA Landers) will be working on sidewalk reconstruction on Cedar St from Maxfield St to Mill St.
- Contractor (PA Landers) will be working on sidewalk reconstruction on Union St from Sixth St to County St
- Contractor (SCR Constructors) will continue site work at the future South Coast Rail station platform locations in the city. (Church St at Carlisle St and Wamsutta St at Acushnet Ave.) If you have questions, please email the project team at [SouthCoastRail@dot.state.ma.us](mailto:SouthCoastRail@dot.state.ma.us)
- Contractor (C. Naughton Corp) will continue replacing water service connections. The crew will work north to south starting at Taber St. There will be detours during working hours via Brigham and adjacent streets as the work progresses. Signage will be posted and police details on-site with traffic management.
- Contractor (C. Naughton Corp) will complete work replacing the water main and installing fire hydrants along Clifford St between Ashley Blvd and Acushnet Ave. Work will resume west of Arlington St and proceed westerly toward Ashley Blvd. Clifford St will be restricted to local access only during working hours. There will be construction signage and police details to assist with traffic management.
