

New Bedford roadwork sites for the upcoming week of September 28, 2020 –October 2, 2020

The City of New Bedford has roadwork sites for the upcoming week of September 28, 2020 –October 2, 2020 and they are as follows:

Eversource:

Eversource will replace the gas mains and service at the following locations:

- Hathaway Rd. from Town Line to Rockdale Ave. (Main)
- Davis St. from Church St. to Ashley Blvd. (Main)
- Brook St. from Collette St. to Earle St. (Main)
- Hatch St. from Acushnet Ave. to Belleville Ave. (Services & Main)
- Conduit St. from Acushnet Ave. to Shaw St. (Services & Main)
- Summer St. from Durfee St. to Locust St. (Main)
- Studley St. from County St. to Summer St. (Main)
- Woodlawn St. from Brock Ave. to W. Rodney French Blvd. (Main)
- Bolton St. from Kane St. to Rivet St. (Main)

Eversource will be doing final street and sidewalk restoration at various locations city wide

Other:

- Contractor (PA Landers) to continue drainage work at MassDOT Project #606709, New Bedford – Roadway Reconstruction and Related Work (including signals) along a section of Kings Highway and Tarkiln Hill Road. Construction to take place

during regular working hours (Monday – Friday), police details and traffic controls will be in place.

- Contractor (Private Contractor: Southcoast Development) will be conducting work within the roadway at the intersection of Acushnet Ave and Ashley Blvd. Police details and traffic controls will be in place.
- MassDOT will be making repairs on the bridge at I-195 eastbound over Route 18 ramp. Work will be from August 18th to November 30th.
- Contractor (North Turf) will be on site at Hazelwood Park installing the new bowling greens.
- Department of Public Infrastructure will be line painting at night at various signalized intersections city-wide.
- Department of Public Infrastructure will be filling potholes city-wide on a continuous basis.
- Department of Public Infrastructure conducting its annual street sweeping program city-wide.
- The contractor (Bay State Wind Water) is tentatively scheduled to replace the Freetown municipal interconnecting water meters along Braley Rd. and Middleboro Rd. and continue large water meter replacements at various locations.
- Due to ongoing construction at the High Hill Reservoir residents may experience discolored water. The water is safe, and the discoloration will be temporary. We recommend allowing the water to settle for a few hours and then flushing your service line by letting the bathtub run for a few minutes until the water clears.

*** Please note: Contractors will continue to follow guidelines and protocol regarding COVID-19 social distancing while conducting work in construction zone.*

Due to the current COVID-19 situation the Department of Public Infrastructure will be closed to the public entry. Office staff is available to assist by email and telephone.
