Other:

- Contractor (PA Landers) to continue underground utility work at MassDOT Project #606709, Roadway Reconstruction and Related

Work (including signals) along a section of Kings Highway and Tarkiln Hill Road. Construction to take place during regular working hours (Monday – Friday), police details and traffic controls will be in place. Contractor will be working on Veterans Day, Wednesday, November 11th.

- Contractor (PA Landers) working at Hazelwood Park retaining wall along West Rodney French Blvd.
- Contractor (PA Landers) repairing various street and sidewalk patches city-wide.
- Contractor (PA Landers) to continue sidewalk excavation and resetting of the curb at Cottage St. from Parker St. to Sycamore St. On-street parking will be restricted from 7:00 AM – 4:00 PM Monday – Friday in the posted work zone areas.
- Contractor (PA Landers) will be continue full depth road reconstruction on Hatch St from Belleville Ave. to Acushnet Ave. On street parking will be restricted from 7:00 AM – 4:00 PM Monday – Friday in the posted work zone areas.
- Contractor (North Turf) will be on site at Hazelwood Park installing the new bowling greens.
- MassDOT will be making repairs on the bridge at I-195 eastbound over Route 18 ramp. Work will be from August 18th to November 30th.
- Department of Public Infrastructure will be filling potholes city-wide on a continuous basis.
- Department of Public Infrastructure conducting its annual street sweeping program city-wide.
- Department of Public Infrastructure will be flushing hydrants in the downtown area from 8:00 AM – 2:00 PM on Sunday, November 8th and the Industrial Park on Sunday, November 15th
- The contractor (Bay State Wind Water) is scheduled to continue large water meter replacements at various locations throughout the city. There are no anticipated traffic controls for this week.
- Due to ongoing construction at the High Hill Reservoir residents may experience discolored water. The water is safe, and the discoloration will be temporary. We recommend allowing

the water to settle for a few hours and then flushing your service line by letting the bathtub run for a few minutes until the water clears.

*** Please note: Contractors will continue to follow guidelines and protocol regarding COVID-19 social distancing while conducting work in construction zone.*

Due to the current COVID-19 situation the Department of Public Infrastructure will be closed to the public entry. Office staff is available to assist by email and telephone.
