

2014 New Bedford 5K Santa Run seeks sponsors

The cooler weather brings some amazing events to the city of New Bedford. This past weekend the city hosted the **New Bedford Oktoberfest** and the **New Bedford Chowder Festival**. On December 14th, 2014, thousands of Santas will converge downtown for the New Bedford Santa 5K Fun Run.

Official details on the race can be found **here**. Photos from last year **here**.

Three New Bedford non-profit organizations stand to benefit from this year's run: Gifts to Give, The New Bedford Cultural Council and the YMCA. These charities gain \$2 each when the total registration number hits 1,500. The goal this year is for 4,000 Santas to run through the streets of New Bedford. To achieve this goal the organizers *need* sponsors. Here are the sponsor levels and the benefits for each:
