

City of New Bedford announces schedule for road surfacing on major city roads

"ROADWORK NOTICE:

The City's Department of Public Infrastructure and contractors will be conducting overnight road surfacing on major city roads from Aug. 31 into early September.

The schedule has been adjusted due to weather from the dates shown on the attached notice, which was distributed earlier this month to affected residents and businesses.

The following roads are scheduled for a preventative maintenance treatment known as microsurface paving during night work from 8 p.m. to 6 a.m. on the following dates:

- East Rodney French Boulevard (Cove St. to Butler St.) – 8/31 & 9/1
- Nash Road (Mt. Pleasant St. to Acushnet Ave.) – 8/31 & 9/1
- Rockdale Ave. (Grape St. to Cove Road) – 9/5 & 9/6
- Acushnet Ave. (Victoria St. to Monmouth St.) – 9/5 to 9/8
- Mt. Pleasant St. (Route 140 to New Plainville Road) – 9/7 & 9/8.
